BSc. Software Engineering

University of Azad Jammu and Kashmir,
Muzaffarabad

09/2019 - 09/2024

WORK EXPERIENCE

MERN Stack Developer

Devsiom Technologies

04/2024 - Present

Islamabad

Achievements/Tasks

- Developed reusable code to optimize development time and reduce redundancy.
- Collaborated with cross-functional teams to design innovative solutions for complex business requirements.
- Designed responsive web components using React JS directives for a seamless user experience across devices.
- Reviewed code, debugged problems, and corrected issues.

NetSuite Developer (Intern)

Abacus Consulting

01/2024 - 03/2024

Islamabad

Achievements/Tasks

- Worked closely with clients to gather requirements and translate them into technical specifications for implementation.
- Streamlined business processes by creating custom approval workflows.
- Enhanced user experience through tailored module customizations.
- Developed advanced HTML/PDF templates to generate insightful and personalized reports.

Frontend Developer

HealthCareEdge - NEP NIC, Muzaffarabad

02/2022 - 03/2023

Achievements/Tasks

- Utilized HTML, CSS, and JavaScript to create visually appealing and responsive web pages that met client requirements.
- Coded using HTML, CSS, and JavaScript to develop features for both mobile and desktop platforms.
- Worked closely with UX/UI designers to translate their designs into functional web applications.
- Utilized version control systems such as Git to track changes throughout the development process.

PROJECTS

Hungry Kitchen – Restaurant Food Delivery Website

- Built a mobile-friendly food delivery platform using React.js and Bootstrap, allowing users to browse the menu, place orders, and track deliveries.
- **Live Demo** : <https://hungrykitchen.netlify.app>.

Logo Maker

- Built a full-stack logo customization platform using MERN and SQL, with a React.js interface, backend functionality, and responsive design.
- **Live Demo** : <https://logomakerss.netlify.app>.

Devsiom Technology – Software House Website

- Developed a responsive website for Devsiom Technology using React.js and Bootstrap, featuring sections for services, portfolio, and contact with a professional design.
- **Live Demo** : <https://devsiomtechnologies.com>.

CERTIFICATES

MERN Stack Fellowship | Bytewise Limited (03/2023 - 06/2023)
